The product needs a safety surface

Play centre with two platforms, connected by a net climbing wall. Platforms can be accessed via a rock climbing slope or an arched ladder. A slide and a fireman pole offer a way to slide down from the centre. The play centre comes equipped with a captain's helmet and a play corner with a bench, which can be fitted with either kitchen or car dashboard elements. The side panels of the play centre can be switched for various activity walls or thematic printed panels (animals, birds, fish, trees, berries, etc.). The design of the panels will be finalised with the client during ordering.
