The product needs a safety surface

A fun and versatile multi activity centre with six platforms, a bridge with moving steps, a sloping bridge, a net tunnel, a bridge with a suspended walkway, an arched path, ladders and net bridges with handrails. Two fireman poles and two slides offer sliding opportunities. The side panels of the multi activity centre can be switched for various activity walls or thematic printed panels (animals, birds, fish, trees, berries, etc.). The design of the panels will be finalised with the client during ordering.
