The product needs a safety surface

A toddler play centre with two platforms and a small slide. The platforms can be accessed via a small staircase or a ramp with wooden rungs, they are joined with a bridge with handrails. A Tic-Tac-Toe game, an abacus and a captain's helm offer even more fun. The side panels of the play centre can be switched for various activity walls or thematic printed panels (animals, birds, fish, trees, berries, etc.). The design of the panels will be finalised with the client during ordering.
