The product needs a safety surface

Play centre with two platforms, connected by a net climbing wall, a vertical ladder and a rock climbing wall. Platforms can be accessed via a rock climbing slope or an arched ladder. A slide and a fireman's pole offer a way to slide down from the centre. The side panels of the play centre can be switched for various activity walls or thematic printed panels (animals, birds, fish, trees, berries, etc.). The design of the panels will be finalised with the client during ordering.
