The product needs a safety surface

Double the fun with this play centre and its two platforms, two stairs with handrails, rustproof slides, sloped roofs and play corners. Kids can peek at the world through portholes and greet a flock of birds. The side panels of the play centre can be switched for various activity walls or thematic printed panels (animals, birds, fish, trees, berries, etc.). The design of the panels will be finalised with the client during ordering.
