The product needs a safety surface

A play centre with four platforms, two slides, a bridge, a rock climbing slope, a fireman's pole and a sloping roof. Lower platform offers access to the play centre, higher platform can be reached by a bridge or a rock climbing slope. The play centre comes equipped with a captain's helm and a play corner with a bench, which can be fitted with either kitchen or car dashboard elements. The side panels of the play centre can be switched for various activity walls or thematic printed panels (animals, birds, fish, trees, berries, etc.). The design of the panels will be finalised with the client during ordering.
