## Installation info

The product needs a safety surface

Slide for a slope with a platform GIRAFFE that is shaped like a giraffe, provides engaging activities and joy with a 2,15 metres high slide. Product frame, support beams and metal details are made of hot-dipped galvanized steel, all fixing accessories from stainless steel. All side panels are made of 15 mm HDPE. The slide has got a stainless-steel sliding surface, which can be replaced by HDPE in case requested. Product's ground fixings are made of hot-dip galvanized metal and as standard solution it is concreted into the ground.
